4) The Corporation wishes to exercise powers over an area which is not under its jurisdiction Although the Law permits of such a course, I am not in favour of the Corporation doing so because it would mean taxation without giving any civic amenities The decision already taken may stand

SIR

Subject Licensing of trades coming under section 297 of the Corporation Act 1949

With reference to your letter No L 350/C M 114-53-4 dated 15-4-1954 on the above subject, I write to state that the above letter was placed before the Corporation at their meeting held on 23-6-1954 They have resolved that/their previous resolution dated 9-2-1955 be reiterated - vide copy of the resolution enclosed

If the proposal of the Corporation to license the trades mentioned in Schedule V of the Act within a 5 mile belt area is not approved there is every possibility of such trades being started just outside the Corporation border to evade the licensing condition and control exercised by the Corporation

I therefore request that sanction of Government to the resolution of the Corporation may kindly be obtained and communicated for taking further action

Forwarded with compliments
Seetha Ram

Yours faithfully,
